

2010 FARM EVENT SCHEDULE

Do you want to learn more about where your food comes from?

Join us at the farm for one, two, or all of our farm field days!

What is the format of the field day?

For simplicity and planning purposes each of our open houses are the second Saturday of each month (May-Oct) from 3-6 pm.

Each field day will consist of a farm tour, getting your hands dirty during the scheduled activity, and a potluck.

During the farm tour you'll get to see the greenhouse, packing shed, and tools that are used on the farm. You will also be able to see cows, calves, chickens and goats. This is often times a hit with young children who don't get to see farm animals up close.

Now for the fun part – FOOD! We here on the farm really like food. Therefore, we've decided to end each open house with a potluck. Bring your favorite local dish and enjoy good food with good company.

Who's Welcome?

Everyone! We can find a job for all, so bring your boots, gardening gloves, and let's get started!
